

District Governor Frank Paul

Lion Wanda, my bride of 45 years, and I are both native Washingtonians. I was born in 1938 in Aberdeen, Washington and raised in the small town of Pacific Beach. Wanda and I have a daughter and two sons, all married with their own families. They have blessed us with two granddaughters, four grandsons and two great grandsons. Family is a first priority with both of us.

I retired from Puget Power in 1996 as Superintendent of System Operations with 36 years of service. Upon retiring, I looked for a way to serve my community and the newly formed Graham Sunrise Lions Club was my first choice. In 2001, I received a Melvin Jones Fellowship given by the Zone C-5 membership.

My primary focus this Lions year will be on Club Communications, both internal and external. The membership can expect to hear much on this subject throughout the year. Meaningful communications needs to be in both directions and I welcome feedback from District C members.
