

PROJECT NEW HOPE MILITARY FAMILY RETREATS

OUR MISSION

To provide combat veterans and their families the education, training, and skills necessary to manage their lives after wartime service.

Why There's a Need

- Multiple and extended deployments
- Unprecedented survival rates after violent actions
- Suicide rates for veterans ages 20-24 are 4 times greater than that of a civilian
- Inability to cope is higher than national average
- 25% of all homeless are combat veterans
- Over 2 million veterans live without insurance

How This Camp is Different

- The whole family is involved (in time also singles)
- All combat veterans
- Cost of camp is FREE
- All meals are provided
- 100% volunteer staff (where you Lions help out)
- Location is rural, pristine, private (non-military)
- Objective is to be low key and offer assistance as requested by the family
