7920 Rosemont Cir  
Tacoma

Meeting times  
Eve & JL  
Tuesdays  
6:00 PM

November 22 2010

Editor: PP John West

It's almost Turkey day once again. Where has the year gone? Christmas is just around the corner and then it will be a new year. Time seems to fly no matter if you are having fun or not.

We had our Thanksgiving basket get together on Saturday. I can not believe the amount of food that was donated to our cause. A big note of thanks needs to be sent to Merrill Gardens, Bridgeport Place, and UP Care center. A big thank you to all those that donated goods and helped get all of the food sorted out for our nine families. We have enough food left over for food baskets at Christmas. All that needs to be purchased on Monday is the perishable food items. We need quite a number of volunteers to do the shopping and delivery on the 22<sup>nd</sup>. The plan is to meet at Safeway on Bridgeport at 9:00 AM. Some of us have to work otherwise we would be there too.

It is that time of year when we are fast approaching our next project, the Santa Breakfast at UP Primary. That will be on Saturday the 11<sup>th</sup>. There will be more information to come as time gets closer, stay tuned. The one addition to this year's event is a garage sale in conjunction with the breakfast. We will need lots of hands to make this our usual success.

Then....., a few days after that, the 14<sup>th</sup>, is our Christmas party. It will be held where we had our great summer picnic in August. I am sure lions Beda and Steve will have more information on that as well. It has been suggested that we bring more food donations for our Christmas baskets and possibly toys for Toys For Tots. It is a busy time of year for all of us.

Lion Ralph said he has someone that is donating six bicycles for Christmas. There was some discussion of whether to deliver them with the Christmas baskets or put them in our garage sale. There are 'powers that be' that are making that decision. I also understand that there are other kid's items being donated as well. Thanks Lion Ralph.

Lion Dave is putting on the program for this meeting on geology. We have actually have been able to pin him down for at least one meeting. Dave is a busy Lion when he isn't traipsing around the Grand Canyon.

Short and sweet for this one. See you at the meeting.
