August 2008

District Governor's Remarks:

Our International President Al Brandel's theme this year is Miracles through Service. Bangkok serving as the host of the 91st International Convention and District Governor Elect seminar performed many miracles in hosting an event of such magnitude without any major mishaps. Prior to departing for Bangkok, Lions Club International provided pertinent information to us about lodging, travel, meals, agendas, seminars, dress codes and many other items of important interest. Marlene and I both agree it is a life long experience that was worth our every effort in preparing and participating in such a historic event. Our travel to and from Pattaya and Bangkok went as smoothly as one could expect. A few delays in flights were experienced because of safety rules and scheduling. Bangkok is a city of smiles and we found those smiles to be genuine. Everyone was friendly and made every effort possible to welcome the Lions to their country. The myriad number of volunteers at the vice district governors elect seminar and convention were astounding. The food was delicious and the desserts were out of this world. The hotels were very comfortable and accommodating, particularly at Pattaya. Marlene said she would like to live in Pattaya. Bangkok traffic is horrendous but everyone seems to drive with courtesy. It is incredible to see so many motorcycles darting in and out of traffic. As they say in Bangkok, "If you are not in traffic, you are not in Bangkok".

The DGE seminars were very intense, informative and educational. The assignments from LCI and the Multiple District DGE training were not duplicated. It was a lot to digest in a short period of time but very helpful.

The International parade was very impressive, long and hot. MD19 lined up about 4:30 pm and began to move several hours later. We met many new friends at the parade, at the convention and seminars. The seminars were well attended and everyone I talked with said the seminars were well worth attending. Each plenary session was a smash hit...a standing room only event. Our International President is a down to earth guy with unlimited energy. He made everyone feel that they had his personal attention. His wife, Dr. Maureen, is a super lady that got kudos from all the spouses and everyone that met her. She hosted several meetings

with the spouses discussions about the role of a DG spouse, what to expect and how to assist the district governor in the performance of duty.

I was delighted by the interaction of my fellow DGEs and MD19 people in Bangkok. It was like a family reunion away from home. Our executive secretary Patty and Council Chairperson PooLy Voon and the staff is to be commended for the superb job they did in Bangkok...getting us all together in one place each day among 10,000 people is no easy task.

Taking the oath as district governor with 720 other governors is an experience that one will never forget. That many people attesting to the creed has merit that will make one strive to do their best.

In a future newsletter, I will talk about some of the programs from our International President.

On a personal note, I convey my thanks to all of you that attended the Banner Passing. Also, my thanks to all the club presidents and the club officers for the impressive new club officers' installations.

DG John

IS ALWAYS UNDER CONSTRUCTION**

MD19 Lions Feted in Bangkok

The spotlight was on Lions from MD19 at the 91st International Convention in Bangkok, Thailand. District 19B Public Relation Chairperson Art Rubin's "Open Door" project was chosen as the **top district public relations idea in the world** for the year 2007-2008

LEO Emily Moon from Vancouver West LEO Club in District 19A was selected as Lions Clubs International "**Outstanding LEO**" of the year.

Lion Paul Wong from Vancouver Chinatown Lions Club, District 19A was named Lions Club International "**Outstanding Lion**" of the year 2007-2008.

In concert with all the Lions throughout the world, I congratulate these outstanding individuals for their contributions to the humanitarian efforts of Lions Clubs International.

NO BUS TO SASKATOON

VCC Jim McCown has canceled the bus trip to Saskatoon. Please look and book your transportation now.

We want you to be with us in

Saskatoon and wish that the bus trip could have materialized.

Up until a few days ago Jim was working with bus companies to get the best price for making this possible. At that time there were 35 Lions signed up to take the bus. Within a few days that dissipated to 25 Lions. This would have meant that those 25 would have to pay at least \$500 or more. If more canceled out, it would make it even more costly.

There was also some other technical problems we were having with the bus companies. Maybe we can make this happen another time to another destination. Convoy anyone?

Lion leaders, here is your chance to make yourselves an even stronger leader by attending these seminars at this great event. Don't be looking out when you can be looking in by being in attendance and taking part in this forum. Call or email Jim McCown and he can get you signed up.

District 19C Lions Leadership Skills Training

PZC Dan Comsia, Leadership Chairman & PDG Bill Ellis

Our district is again providing leadership training and practice in **Problem Solving Facilitation**. The primary purpose is to provide practical leadership skills in facilitating meetings, improvement and problem solving skills for all areas in Lions. The benefits will benefit you, your club and the district when improvements are applied:

- Improve leadership skills
- Learn and practice facilitation skills
- Provide a proven method for solving problems and improved effectiveness for members and their club.

You can use these skills in all aspects of your life--your club, your work, your family life.

Contact Bill Ellis at lionellis@aol.com or 253-925-5865 if you want to sign up in this experience.

District 19C Resource Services

PDG Bill Ellis, Chairman
Lionellis@aol.com 253-925-5865

As active Lions we all would like to improve ourselves, our Club and our District. However, quite often we just don't know where to begin. Or maybe you've figured out what to do but you're not sure how to do it. Well, your District Resource Team is here to help.

A group of experienced Lions are available to assist the members of District C. Each of these Lion leaders has particular skills, knowledge or experience, which they have volunteered to share with their fellow Lions.

These District C Resource Lions would like to offer assistance to Club membership and officers in areas such as: Orientations (new member or club wide), Induction of New Members, Installation of Officers, Club Planning Sessions (retreats), Community Needs Assessment, Extension, Membership & Retention, Officer & Leadership Training, LCIF, Public Relations, Problem Solving or in whatever other area help may be needed.

Healthy Lions Clubs provide service to their communities; and at the same time offer member's opportunities to develop leadership skills while serving. We can provide the tools needed to build a stronger, more vital club. Please take advantage of the knowledge, experience and talents that are offered by our outstanding volunteers.

The MMR & VAD report must be submitted by the 20th of the month if mailed, if online by the last day of the month.

LIONS 19-C VISITATION LOTTO CONTEST

PZC Bob Darrigan, Visitation Chair
worldbooks@msn.com 253-229-4148 (CELL)

Forget the patches and trophies! What about **cold hard cash!** That's right, there is nothing wrong with your hearing. With the price of fuel, this is one happy offer you are going to really like.

This is how it works... Some lucky Lion in district 19C will win **\$100!** It is so simple a 5th grader can do it, but you have to be a Lion. Once per month have the president/secretary or visitation chair submit a list of Lions from your club who made Visitations; not only list the name of the individuals but indicate how many visitations each individual made during the month. (example: If Lion smart person made 10 visitations then let me know.) Make sure two or more Lions make the visitation!

Every month I will tally the names and put them in a lotto "Lions jar". Lion smart person will have his name in the jar 10 times! He will have 10 chances to win. The more times each Lion goes on a visitation to another club, the more chances he or she will have to win. Doesn't this sound fun?

July is almost over so send your list asap! You could be the winner of **\$100** and made only one visitation! This stash of money can be used to donate to any Lions' cause of your choice or keep it for your own personal use. As an added bonus, if all members in your club go on a visitation during the 2008-2009 Lions' year, then every person from your Club will get a bonus opportunity to win the \$100!

The drawing for the winner will be at the 2009 Banner Passing. And you don't have to be present to win....
Have fun and get visiting!!!!

PEACE POSTER CONTEST

MD19 Winner 19-C

This could be us! Let's make it happen...

Order a contest kit NOW but not later than October 1st. Order one kit for each school or group participating for middle school students between the ages of 11-12-13.

The entry must be submitted to the District Governor by November 15. Order by phone: 1-800-710-7822, \$7.95 + tax & shipping

MEMBERSHIP

IPDG Barbara Ellis, Membership Chair

Reports are coming in for the new Lions year and I notice drops. We all expect drops in July, but I have a question...just why do we drop a Lion that is in good standing? What does that mean "resigned in good standing"? If an individual is in good standing in your club, why drop them? You should be finding out why they are leaving and try to rectify it. If they are in good standing and they don't want to stay in your club, try to transfer them to another club more suitable to their needs. Or, at least, give the name of the individual to another Lions club closer to their home. I just do not understand that resigned in good standing code. Let us all try to work on that one.

Poulsbo has a new member, George Dieking. Welcome to Lionism George!!! And, for any other new members joining in July but have not been reported by the time this article was written, I say welcome to you all.

We have a great opportunity at the beginning of this Lions year to look at our clubs and make changes to help us keep the members we have and to look good for others to join. Make sure you have a membership committee in your club. And, choose that committee well, don't just fill the positions. Make sure the ones serving really want to be on that committee and will work membership. So many times we see "just a name" on the officers reporting form and nothing is ever done for membership. It is important to have someone who understands the commitment and will serve the position.

Remember our theme is to Ask One this year. If everyone in a club would invite just one new person to join them in attending a meeting, think of the possibilities.

Take a long hard look at what your club is doing and start bringing in new members and keeping the ones you have. Remember, You Have to Ask!!!!

LEADERSHIP COMMITTEE

PZC Dan Comsia, Leadership Chair

The District Leadership committee is planning trainings and workshops for the coming year. The Leadership chair, Dan Comsia is in the process of compiling a list of club officers who were not able to attend the spring trainings—please send names to Dan at dcomsia@mdc-tacoma.org. There will be a Zone Chair, Presidents and Secretaries roundtable and workshop on Monday September 8th from 6 to 8:30 pm—place to be determined—so please mark your calendars for this event. We are in the process of planning a day long Leadership 101 workshop towards the end of October. A Guiding Lion training will take place in January, 2009. Watch for these upcoming dates and events.

Burgen, Bratwurst und Brauerei: Castles, Bratwurst, and Breweries

Lion Ed Kane of Lakewood First Lions has been asked by several individuals to put together a group for the second half of 2009 to tour the castles, wineries and breweries of Germany. Kane has been to Germany many times photographing castles for a planned book on medieval Germany. He has also been known to bow to the will of the majority and consumed an occasional German beer.

At this point this is not setup as a Lions fundraising project. If there is a way to do so, that possibility is open for discussion. However, fun for friends in Lions is the sole objective and no lofty goals will be allowed to interfere.

Note that approaches to many castles require uphill walks that could easily tire anyone with health—especially respiratory—problems. Kane will act as the unofficial tour guide. Bring cameras, as he will also teach those needing assistance how to do digital right.

Plans are now being formulated based on a small group of 14-18 people. The tour will include a chartered bus to give us total freedom to alter plans on-the-fly to take advantage of changing weather or group interests. This is not a professionally guided tour, and participants are expected to be able to be completely responsible for themselves. The cost of the tour will include airfare and accommodations, which normally include breakfast. Once a large enough number has committed to the tour we will be more confidently able to establish prices. With everything related to travel experiencing substantial price hikes we suggest planning on a two week cost, including airfare, to top out at \$5,000. This is what is estimated to be about as high as the basic costs will go. However, the final cost is expected to be lower. This figure builds in a large enough hedge to assure that those signing on will be pleased by a final lower cost rather than shocked at a cost increase. Anyway, that is the way we beer drinkers plan events. Wine drinkers may wish to nail things down a little tighter!

We will endeavor to sign up Lions and/or others with a great sense of humor and willingness to go with the flow. It would help if they also enjoy beer, wine and a variety of locally customized sausages. A meeting will be scheduled as soon as a list of serious travelers is assembled. Eventually a non-refundable deposit will be required to cover necessary deposits for transportation and accommodations.

Those interested in investigating what is planned as a really fun, flexible travel adventure are invited to contact Kane at lakewoodnews@harbornet.com or call 253.588,6637.

Lions' Environmental Projects Contest Winners for 2007-2008

PZC Mitzi Ludwig, Environmental Chairperson
mitziludwig@hotmail.com

Here are the winners of the 2007-2008 District 19C Environmental Projects Contest:

- Zone 1 Lakewood First
- Zone 2 Shelton Morning Star
- Zone 3 Federal Way Knights
- Zone 4 Bremerton Chief Kitsap
- Zone 5 Graham
- Zone 6 Rainier

All six of these clubs received environment awards at the District 19C Banner Passing held at the Tacoma Elks Club on July 11th. Judges also chose the "greenest" club from this list of six, and that club is the Rainier Lions. They will receive a trophy in addition to the banner patch award.

Forty-four (44) Lions Clubs entered this contest and it was very impressive to see how many different ways Lions are helping to preserve and protect our planet for future generations. So, in reality, we are all winners! Thank you Lions for what you are doing to insure that our children and grandchildren will have a safe place to live.

A great big THANK YOU to the Lions who have donated time and resources to make this camp a safe, healthy, educational, and fun camp experience for the students.

Lions Raise More Than US\$200 Million to Save Sight

Submitted by PZC Mary Jo Cady, NWLFSH, Trustee 19C
From Lions Club International Foundation

Bangkok, Thailand, June 26, 2008 –Lions Clubs International Foundation (LCIF) and Lions around the world have exceeded their campaign challenge goal of US\$200 million for their flagship, global blindness-prevention program, SightFirst. Funds raised during Campaign SightFirst II (CSFII), a three-year worldwide campaign operated by the international charitable foundation, will save or restore the vision of more than 37 million people around the world.

Led by 7,000 CSFII Lion volunteers, Lions surpassed their initial US\$150 million goal in February, four months in advance of CSFII's conclusion. During the final month of the campaign alone, Lions raised more than US\$20 million to surpass the US\$200 million challenge goal.

At least US\$100 million of CSFII funds will be granted through LCIF's SightFirst program to contain and eliminate the leading causes of avoidable blindness, including cataract, the leading cause of preventable blindness worldwide.

Another US\$50 million will be used to combat new and emerging threats to sight, including diabetic retinopathy, macular degeneration and low vision. The

funds raised beyond the US\$150 million initial goal will make it possible for Lions to fund research and rehabilitation initiatives in developed countries. Lions' goal is to provide "Vision for All."

SightFirst was launched by Lions in 1989 to battle preventable and reversible blindness. Lions estimate US\$6 is the average cost to save or restore a person's sight through SightFirst. Lions have already restored sight to more than 27 million people by funding cataract surgeries, vision screenings and treatment, and improved eye-care services for hundreds of millions of people in underserved areas in 91 countries around the world. Lions have also built eye hospitals in developing countries and trained eye health care workers where there were previously none.

SPOTLIGHT

Meet the Candidate for Vice District Governor 2008-09,
PZC Dan Comsia, from the Lakewood First Lions Club:

Dan Comsia was born in Tacoma and raised in Lakewood. He is very proud to be a second generation Lion. Dan's father was a member of the Tacoma Downtown Lions in the late 40's and early 50's. Dan is currently the Director of the Healthy Marriage/Responsible Fatherhood program in Lakewood. For the past 11 years, he has also worked with the Washington Department of Veteran Affairs providing Post Traumatic Stress Disorder counseling for war era veterans and their families. Gardening and growing roses are the hobbies that he enjoys the most.

Lions has been a special passion of Dan's since he joined the Lakewood First Lions. He has served in various positions including Club President, Zone Chair for 19 C-1, and currently is the Leadership Chair for 19 C. In 2007, Dan was the Assistant Superintendent for the Northwest Lions Leadership Institute and will serve as Superintendent for the 2010 Institute. Dan's wife Cheryl is also an active Lion serving as the Quest Chair for 19 C.

In the role of Leadership Chair for the District, Dan would like to help build strong leadership in all of the clubs in the District. It is a well known fact that strong leadership builds strong organizations. Lions Clubs in our Northwest Region have a growing number of leadership training opportunities that can provide strong leadership for our clubs. A quote from a conference at the University of Washington sums up what Dan would like to see in leadership development: "To be a leader for the next century, you have to bring out the best in the people." If leaders bring out the best in Lions members, we will have strong clubs which will retain members and will reach out and attract new members. Strong leaders do indeed build strong clubs.

“O Sou Yoos” – Narrowing of the Waters

This ain't gonna be your usual charter night!

Forget the speeches - there won't be any. Olympia Host Lions invite you to don your best beach wear and come on down to Margaritaland for dinner, a silent auction and an evening of homemade mystery theater September 11, 5:30 p.m. at Tugboat Annie's Restaurant. Cost is \$25 per person.

It's an audience participation murder mystery party - come prepared to have fun and help figure out who done it. Prizes will be awarded for best costumes and best - or worst - acting among our very own Lions.

Attendance is limited for this very special event so call early to reserve your space. RSVP by September 1 to Karen Sell at 360 867-0260 or karenLsell@aol.com. Friends and family are welcome while space lasts.

Oh - and don't forget the silent auction part -- some of the items up for grabs already include a bed and breakfast stay in Tucson, a weight loss consultation with two follow up visits, dance lessons, knife sharpening services, and a lovely piece of jewelry from one of Olympia's finest jewelers. Bring your checkbook!
